

The National Valve Museum

Updates April 2016

Thanks to Simon Lavington the museum has details on the Katz Adder Type XA3446 from 1950 (exhibit aai0212) and from Manchester University's Computer Science Department we have a PDF of the information Simon sent them. It is a fascinating read.

The new exhibits and boxes this month were donated by Robert Coleman.

Added 14 boxes:- Box262 to 275.

Added 52 exhibits to take the total from 4456 to 4508.
