

The Valve Museum

Updates April 2022

Any file reference given here can be located by using the search facility. E.g., A search for art-322 will go directly to the article. The article will also appear in the articles index and linked to some exhibits and/or indexes.

Boxes and adverts can be found in the same way, by search or via the indexes.

Related links appear in the main heading box, under the title plus the extra's menu on the right side of each page is being expanded to give links to related material.

This month we publish a major new work by Keith Thrower. Details of 6,500 British valves from 1915 to 1960. The full text is available as a PDF from the references section and it is hoped to build HTML pages with links to the museum exhibits in the following months.

Added 3 Vintage/Modern Articles

Art-367 – The Valve and How it is Made – 1928

Art-368 – Valves – 1928

Art-369 – M-OV A and E Types - 2022

Added 4 new valve data-sheets.

6FD7	HLDD1320	PL17	PL5557
